

To Whom It May Concern:

The Arizona Department of Economic Security, Division of Children, Youth and Families has had significant input into the recommendations provided by the National Association of Public Child Welfare Administrators (NAPCWA) in response to the request for public comment regarding the Child and Family Services Reviews (CFSR). We support the changes proposed by NAPCWA and believe their implementation would foster advancements in states' quality improvement systems, accelerate system and practice improvements, and improve outcomes for children and families.

Thank you for the opportunity to provide input.

Sincerely,

Jakki Kolzow

Deputy Assistant Director

Division of Children, Youth and Families
